3. **Education--Degrees**

Ph.D. in History, University of Pennsylvania, Philadelphia, PA, December 2003.

M.A. in History, University of Pennsylvania, Philadelphia, PA, June 1995.

B.A. (Bachelor of Arts) in Political Science, University of Chicago, Chicago, IL,
cum laude, 1992.

Arabic Language Training—outside of degree (Ph.D.) university programs

Arabic Language Institute, Fez, Morocco. 1995, 2003-2005.
Classical Arabic training, 6 hours per day.

Middlebury College, Middlebury, VT 1996. Certified advanced in Modern
Standard Arabic (MSA).

4. **Current Status at McMaster**

- Jason A. Hannah Chair in the History of Medicine.
- Associate Professor, Department of Family Medicine and Department of Religious Studies (Faculty of Social Sciences)—Joint appointment

Starting date October 1, 2014-present.

Tenured (tenure conferred June 2012 at University of Wisconsin-Milwaukee).

- Cross-Appointment, Department of Psychiatry and Behavioural Neurosciences, Michael DeGroote School of Medicine, 2015-present.
- Cross-Appointment, Department of Anthropology, 2015-present.
- Cross-Appointment, Department of Health Research Methods, Evidence, and Impact, HEI, 2017-present.

Member, Center for Health Economics and Policy Analysis (CHEPA)

Scholar, McMaster Faculty of Health Sciences Program in Education Research, Innovation, and Theory (MERIT)

5. Professional Organizations

Governing Council Member, Western Society for French History, elected October 2013-2015.

Board of Directors Member, American Institute of Maghrib Studies, elected February 2013-2015.

Founding member, Global Network of Researchers of AIDS in the Middle East/North Africa (GNR-MENA).

Membership in Professional organizations:

Middle East Studies Association

French Historical Studies Association

American Association for the History of Medicine

American Institute for Maghrib Studies

French Colonial Historical Society

6. Employment History

A. Academic

Associate Professor, Department of Family Medicine (primary department), Department of History, September 1, 2017. Moved from Department of History and Department of Clinical Epidemiology and Biostatistics (now HEI), McMaster University, Hamilton, ON, Canada, October 1 2014-September 1, 2017.

- Associate Faculty Member, Department of Psychiatry and Behavioral Neurosciences, DeGroot School of Medicine.
- Associate Faculty Member, Department of Anthropology.
- Associate Faculty Member, Department of HEI.
- Associate Faculty Member, Department of Religious Studies.

Associate Professor, Department of History, University of Wisconsin-Milwaukee, WI, USA, August 2012-September 2014.

Assistant Professor, Department of History, University of Wisconsin-Milwaukee, WI, USA, 2003-2012.

B. Consultations

Medical humanities consultation at University of Manitoba, gave two talks and informal discussion about creating a medical humanities program. November 21-23, 2018.

Expert testimony for HIAS (Hebrew Immigration Aid Service) of Philadelphia, PA (USA) immigration case involving Moroccan women's civil status and birth records (June-July 2014).

C. Other

Program Coordinator, University of Pennsylvania, Middle East Health Group, 2002-2003. Lecture series "Gender, Violence, and Medicine in the Middle East," program of University of Pennsylvania Middle East Center and School of Medicine, Philadelphia, PA, USA.

Arabic-English Translator, ORBIS Ocular Surgery Mission, Fez, Morocco 1999.

Arabic-English-French simultaneous translation in triage, lectures to nurses about corneal transplant, and surgical demonstrations of strabismus correction, corneal transplant, and retinal reattachment procedures.

Arabic-English Translator for Scott Forgey, esq., Philadelphia, PA, 1997. Human rights asylum cases (Western Sahara).

7. Scholarly and Professional Activities

a. Editorial boards

Editorial Board Member, *International Journal of Middle East Studies*, Cambridge University Press. November 2017-2019.

b. Grant committees

Committee member, Mary Alice and Phillippe Boucher Book Prize, French Colonial Historical Society, 2018-2020.

Grant and Fellowship Review Committee, Nova Scotia Health Research Foundation, Associated Medical Services grant competition, May 2015.

Chair, L. Carl Brown Book Prize Committee for the American Institute of Maghrib Studies, 2013.

National screening committee member for U. S. Institute of International Education Fulbright Scholars Program

- North Africa (Morocco) 2010-11.

- North Africa (Morocco) and Gulf States (Kuwait, UAE) 2011-2012.
- North Africa (Morocco, Tunisia) and Gulf States (Kuwait, Bahrain) 2012-2013.

Screening committee member for US Social Science Research Council International Dissertation Research Fellowship Program (IDRF), 2011-2012.

d. Journal referee, *International Journal of Middle East Studies*, *Journal of Middle East Women's Studies*, *Journal of Women's History*, *Syracuse University Press*, *Journal of Southeast Asian Studies*, *Signs*, *American Historical Review (AHR)*, *Journal of North African Studies*, *Middle East Journal*, *Journal in the History of Medicine and Allied Sciences*, *Journal of World History*, *Agricultural History*, *Health Reform Observer—Observatoire des Reformes de la Santé*, *Journal of the Society for Clinical Trials*, *Bulletin for the History of Medicine*.

8. Areas of interest

Middle East, gender, history of medicine, North Africa, Morocco, Islam, history of science, French history, French empire, epistemology, history of public health, global health, the body.

9. Honours

Alternate Candidate, U.S. IIE Fulbright Scholar Program for Morocco, 2019-2020.

McMaster University Faculty Association (MUFA) Outstanding Service Award, McMaster University, April 23, 2019.

Honorable Mention William H. Welch Medal in the History of Medicine of the American Association for the History of Medicine, 2017, for *Medicine and the Saints: Science, Islam, and the Colonial Encounter in Morocco*.

Senior Fellowship, Center for the Material and Visual Cultures of Religion Yale University, Cycle II, "Material Economies of Religion in the Americas: Arts, Objects, Spaces, Mediations." 2016-2020.

Senior Scholar Fellowship, Martin Marty Center for the Advanced Study of Religion, University of Chicago Divinity School, 2014-2015 (declined).

Honorable Mention Andrew Alf Heggoy Book Prize of the French Colonial Historical Society, 2014, for *Medicine and the Saints: Science*,

Islam, and the Colonial Encounter in Morocco.

Center for International Education Global Studies Fellowship, University of Wisconsin-Milwaukee, 2010-2011.

Institute for Research in the Humanities Fellowship, University of Wisconsin-Madison, 2008.

Coolidge Scholars Program Fellowship, for research at Columbia University Library and the Jewish Theological Seminary in New York City, *Crosscurrents* Journal, 2006.

UW-Milwaukee Graduate School Research Committee Award, 2005-6, (\$15,000).

University of Pennsylvania, Chimicles Fellowship, 2001-2002.

Andrew W. Mellon Foundation Dissertation Research Fellowship, 2000.

Fulbright-Hayes Dissertation Research Fellowship for Morocco, 1998-1999.

Chateaubriand Doctoral Research Fellowship in Humanities and Social Sciences (HSS) of the Government of France, 1998-1999.

Social Science Research Council International Dissertation Research Fellowship (IDRF), 1998-1999.

American Institute of Maghrib Studies Dissertation Fellowship, 1998.

Fulbright Dissertation Fellowship for France, 1998-1999 (declined).

Social Science Research Council Middle East Dissertation Fellowship for Morocco, 1998-1999 (declined).

Foreign Language Area Studies Grant (FLAS) for Arabic study, 1995, 1996-1997.

Social Science Research Council Middle East Pre-Dissertation Grant for Morocco, 1995.

10. Courses taught:

a. Undergraduate

Department of History/Anthropology/Religious Studies/Language and Linguistics, "Interdisciplinary Global Health Field Course: Maternal and

Infant Health in Morocco: Women's Rights and Family in Islam." May 3, 2016-July 16, 2016. (6 credit field course in Morocco and Canada).

Department of History, McMaster University, "History 3CP3: The Citizen-Patient, A History of Modern Public Health, 1700-present." Fall 2015, Fall 2016.

Department of History, McMaster University, "History 2IC3: Islamic Civilization, 500-1258." Fall 2014, Fall 2018.

ProComp Session Michael DeGroote School of Medicine, History of Medicine, "Frankenstein and the Medical Student: Graverobbing, Neurology, Death, Crime, Electricity, and Monsters Past and Present." (Medical Foundations 5), 2015, 2016, 2017, 2018, 2019, 2020.

History of Medicine and Medical Humanities Boot Camp, MD program, August 2017, August 2018.

Bachelor of Health Sciences Program 4D03, Independent Study, History of Medicine and Public Health, Winter 2018.

Department of History, "Modern Middle East Societies," Winter 2019.

Bachelor of Health Sciences Program/Art Sci Program, ARTSSCI 4BP3/HTHSCI 4BP3, "Bodies and Bodies Politic: From Public Health to Global Health" 2019 Winter.

Department of Religious Studies, "Gender and Religion," Religst3FF3, 2020 Winter.

Department of Religious Studies, "Gender and Religion," SCAR 3FF3, 2020 Fall.

MD Program Michael DeGroote School of Medicine MD elective, "Pandemics, Policy, and the History of Public Health: From Cholera to COVID-19," Fall 2020-Summer 2021.

b. Graduate

Gave Master of Public Health Program Lecture/Workshop "Race and Colonialism in the History of Medicine and Public Health," with VP Equity from Department of Medicine Dr. Sonia Anand as discussant. Break-out discussion sessions for MD students and for MPH/Health Policy/HSED students afterwards. November 26, 2020. 130+ attendees.

Master of Public Health Program, Faculty of Health Science, “Galen, Epidemics, Filth, Sanitarians, Statistics, and Sex,” Foundations in Public Health, September 2015 and 2016 and 2017 and 2019. In 2020 Fall, “How Do We Think About Epidemics and Pandemics?”

Graduate Studies in Feminist Research, Gender Studies 704 course with Sadaf Ahmed, Spring 2016.

Department of History, University of Wisconsin-Milwaukee, 2003-2014:

Undergraduate courses developed and taught at UWM

History 282: A History of the Modern Middle East, 1600-1979.

History 280: Islamic Civilization: The Formative Period, 500-1258 A.D.

History 401: Women in Islamic History

History 399 Honors Seminar: Medicine and Man: A History of the Body in the Western Tradition

History 385: Political Islam to Zionism: Middle East Intellectual History, 1789-1979

History 355: Challenges to the Republic, Modern France 1815-1962

Graduate course developed and taught at UWM

History 940: Islam and History: Graduate Seminar in Research Methods

11. Contributions to Teaching Practice (at McMaster)

a. pedagogic innovation and/or development of technology-enhanced learning

Developed new experiential study abroad program and course at McMaster University,

“Interdisciplinary Global Health Field Course: Maternal and Infant Health, Women’s Rights and Family in Islam,” Spring 2016.

Created web applications portal, created 5 legal release forms, EHOSS security protocol, posters and advertising, visited classrooms, gave 3 information sessions, organized group airfare, contracts with NGOs in Morocco, site visit summer 2015, revised syllabus and itinerary, developed student field handbook. Led and taught the course Spring 2016. Course website:

<https://fhs.mcmaster.ca/morocco-maternal-health/index.html#>

One week intensive introduction to public health in Canada, then 4 weeks in Morocco. Students learn Arabic 3 hours/day, live with Moroccan families, and study the determinants of health for women and children in the afternoons, the legal, political, economic, social,

government, environmental, and other factors that impact health. Then a one week hands-on Community Health Needs Assessment experience in the High Atlas Mountains of Morocco, students interview local NGOs in semi-structured interviews through translators and compile collective report. Students return to present individual research projects at a research day on McMaster Campus. Students were: 1 humanities major, 2 life science majors, 2 BHSC majors, 1 political science major, 1 sociology major, 1 arts and science major, 1 ISI major, 2 anthropology majors. (11 total).

Developed “History of Medicine and Medical Humanities Research Portal”

Conceptualized, designed, programmed, researched, wrote, edited, uploaded, formatted, and trained student assistants for web portal in medical history and medical humanities

www.medhumanities.mcmaster.ca Budget \$40,000 CND

Content: (400+ pages original content)

- Descriptions of hundreds of libraries, archives, and museums in the history of medicine worldwide.
- Compilation of digitized documents, art, maps, images, databases, digital archives in history of medicine, organized by theme.
- Bibliographies in history of medicine, including non-West.
- Compiled grants for research offered by libraries, archives, museums, and McMaster University for its students.
- Compiled of history of medicine digital exhibits and blogs, organized by theme.
- Art and Graphic Medicine sites.
- Compiled McMaster resources—grants for student research, resources in campus libraries, faculty and academic programs in medical humanities.
- “How to do History of Medicine” pedagogical materials for science majors and medical students.
- Collected archival, museum, library resources of the city of Hamilton, ON.
- Collected Canadian history of medicine resources by province: religious archives, LGBTQ, population health, immigration health, municipal archives, provincial archives.
- Collected and organized Aboriginal health and medical resources in Canadian archives.

Health Humanities Portrait: Women and Global Poverty, MD program module for NEH Project at U of Illinois/Chicago.

Developing Health Humanities teaching module for NEH project, “The Human Story of Illness: Health Humanities Portrait for Physicians in Training,” Sandy Sufian PI. Have given 2 workshops at U of Illinois Chicago and prepared a teaching guide, now acting as mentor for

University of Illinois faculty to develop their own portraits. The portrait will become part of a curriculum module available to medical schools for trainees. 2018-2019

Developed on-line course, “Gender and Religion: Women in Islamic Civilization,” (SCAR3FF3). 13 Modules, asynchronous, Fall 2020.

Developed on-line course, “Pandemics, Policy, and the History of Public Health: From Cholera to COVID-19, MD elective asynchronous, 14 Modules, Summer-Fall 2020.

b. Leadership in delivery of educational programs

Organize and run interdisciplinary public lecture series **“Hannah History of Medicine and Medical Humanities Speaker Series”** open to campus and public. Each speaker event preceded by interdisciplinary luncheon of faculty and students, including MD students.

2015-2016. 8 speakers, average 40-100 attendees of students, faculty, staff, clinicians, community physicians.

2016-2017 7 speakers, 9 talks.

2017-2018, 4 speakers.

2018-2019, 4 speakers.

2019-2020, 4 speakers, 5 talks.

Co-Organized interdisciplinary symposium, **“Vaccination and Anti-Vaccination: The Science, History, Ethics, Public Health, Medical, and Policy Aspects of a Contested Issue”** with Demystifying Medicine program at McMaster University, May 28, 2015. Symposium is available for view and download on youtube.

Organized **“Peace and Health Panel”** for Laureates for Peace Initiative of the President’s Office of McMaster University, January 28, 2016.

c. Course/curriculum development

Developed and taught new courses, History 2IC3, History 3CP3, And History/Anthropology/Religious Studies/Arabic 3GH3 (interdisciplinary global health field experience, 6 credits), Medical Humanities Boot Camp.

Developed and taught Religst3FF3, “Gender and Religion,” Winter 2020

Developed and taught SCAR 3FF3, “Gender and Religion,” as online asynchronous course, Fall 2020.

Developed and taught new online asynchronous course, “Pandemics, Policy, and the History of Public Health: From Cholera to COVID-19,” as horizontal research elective for MD program (Fall 2020-Summer 2021).

Created MPH lecture and workshop, “Race and Colonialism in the History of Medicine and Public Health,” at the request of a McMaster MD Student, Communications Director for the Black Medical Students of Canada, after MD McMaster students delivered an open letter to the FHS deans requesting anti-racism education in the MD program. Dr. Sonia Anand, Chair of Equity and Inclusion in the Department of Medicine was respondent. 252 registered, 173 in attendance. 30 minute breakout sessions afterwards with structured discussion exercise on zoom, one for MD students, one for HEI/MPH/HSED/Health Policy PhD students. PHRI wrote a story about it: https://www.phri.ca/racism-and-colonialism-in-medicine-and-public-health/?fbclid=IwAR3ft5vjHYJdo985Z020sloLfjpl2zMm11veaocQN9gHYVW_qjNJ92a9D60

From the Race and Colonialism workshop, I am now beginning a qualitative study of racism in medicine with 9 MD students, and a page of anti-racism resources on MEDPORTAL.

e. Other

Organized seven-day intensive research meeting for 21 colleagues from 3 countries in Morocco, among them 7 McMaster University Faculty members and one McMaster medical resident. “The Morocco-Canada Network in Maternal and Infant Health,” October 20-27, 2018.

Organized and led public event for the Faculty of Health Science at the request of the deans in FHS, “A Conversation with Abraham Verghese” (Dr. Verghese received an honorary degree from McMaster and spoke at commencement) Thursday, May 25, 2017, 9:00 a.m.-10:30 a.m.

At the request of FHS faculty development, I gave the annual Henry and Sylvia Wong Lecture, on the topic of medical humanities, “Cat’s Cradle and the Clinical Trial: The Humanity of Medicine and the Humanities in Medicine” May 10 2017.

Co-lead with Nadeem Akhtar of “medical humanities” strategic direction, Department of Psychiatry and Behavioural Neurosciences, departmental strategic plan, 2016-present.

Undergraduate Committee member, Department of History, 2015-present.

Program Committee Member, Master of Public Health Program, Department of HEI, 2015-present. Invited to evaluate applications to MPH program 2016.

Health Policy PhD associated faculty member, 2015-present.

Joined MERIT as scholar, 2017-present.

Organized campus-wide reception, “Medical Humanities: A Campus Conversation” on April 19, 2016, showcasing History of Medicine portal, humanities initiatives of the Department of Family Medicine, the Department of Psychiatry, and the Department of Pediatrics. 150+ colleagues from humanities, social sciences, science, and health sciences attended. The event was introduced by Gail Paech, CEO of Associated Medical services (donor of Hannah chair).

Panelist for McMaster public event against Islamophobia, March 2016.

12. Supervisorships

a. Master

Supervisor to Sadaf Ahmed in the Graduate Studies in Feminist Research program for a Master's Degree, 2015-2016. "From Daya to Doctress: Changes in Muslim Women's Epistemic Medical Authority in the Modern Muslim World."

e. Supervisory committees

Sandria Green-Stewart, PhD in History, Department of History, committee member (2014-2018).

Amita Misir, MSc in Health Research Methodology, Department of HEI, 2016-May 2020. "A Cross-Cultural Exploration of Physician Assessment."

Shawna Collins, MA in History, Department of History, 2017-2018.

Daniel Williford, PhD in History, Department of History, University of Michigan, 2016-May 2020. "Concrete Futures: Technologies of Urban Crisis in Colonial and Postcolonial Morocco."

Dilshan Pieris, MSc in Health Education, MERIT program, 2018-2019. "Understanding Moral Empathy: A Verbatim-Theatre Supported Phenomenological Exploration."

Ariane Bedard-Provencher, PhD in Anthropology, Department of Anthropology, 2018-2020.

Rahim Samnani, PhD in Religious Studies, Department of Religious Studies, 2020-present.

Samar Mashadi, PhD in Religious Studies, Department of Religious Studies, 2020-Present.

f. Other

Supervisor to MD student James Zhou, "The Use of Strychnine in Treatment of Shock and Resuscitation at the Turn of the 20th Century," paper accepted for Calgary History of Medicine Days, and received W.B. Spaulding Award in the History of Medicine. Fall 2019-present.

Supervisor to MD student Franciska Shaw, "Morality, Insanity, and Elizabeth Packard's Fight for Freedom," Fall 2019-present.

Co-directed student elective in Occupational Therapy with Dean Lori Letts for Caryn Graham and Parul Razdan, "Archives as Evidence: Examining the Archives of Dr. Mary Tremblay in the Context of Current Disability/Occupational Therapy Models," Resulted in a conference poster at Canadian Association for Occupational Therapists and peer-reviewed article Caryn Graham, Parul Razdan, and Lori Letts, "Opening the archives and

generating new evidence,” *Occupational Therapy Now*, Volume 22:6 (2020).

- Supervisor to MD student Ruth Chiang, Research project title: “Vietnamese Refugee Settlement in Canada Following the Vietnam War: Sociopolitical and individual factors affecting migration, settlement and health status.” 2017-2019.
- Supervisor to MD student Bahar Orang, Research project title: “Feminist Postures, Contemporary Art, and the Body.” 2017-2019. She won a 10k award from Gender and Health initiative, FHS.
- Supervisor to MD student Ronald Leung, Research project title: Sylvia Plath’s *The Bell Jar* in the context of narrative expression and mental illness.” 2017. Presented at 2 conferences.
- Supervisor to Bipasha Sen, BA in Life Sciences Program, independent study, topic: Ayurvedic medicine and cancer, 2016.
- Supervisor to 4 Bachelor of Health Sciences students for independent research project, “Digital Health History in Aboriginal Health,” for Alex Liu, Deepti Shanbhag, Sharon Yeung, Yipeng Ge, 2015.
- Supervisor to students to develop the History of Medicine and Medical Humanities Research Portal:
- Jinny Lee, BHSC (undergraduate), 2015-2017
 - Katarina Todic, PhD History, 2015-2016
 - Lauren Goldstein, PhD History, 2015-2016
 - Nathan Coschi, PhD History, 2015-2016
 - Vanessa Lovisa, PhD History, 2017
 - Ateeka Khan, PhD History, 2017
 - Alexandra Zavarise, MA History, 2017

13. Lifetime Research Funding—All Grants

Research

- 2017 (CIHR) Canadian Institute for Health Research Population Health Global Health Planning Grant,
“The Morocco-Canada Network for Maternal and Infant Health: Determining Research Priorities and a Framework for Action” Ellen Amster PI, with co-investigators Keyna Bracken, Lynda Redwood-Campbell, Joyce Zazulak, Patricia McNiven, Anne Niec, Lydia Kapiriri, Chris Wekerle, and Mohamed Ettayebi. \$20,000 CND for calendar year 2018.
- 2017 Collaborator for Department of Family Medicine Pilot Project,
“Achieving Continuity of Care on Release from the Hamilton-Wentworth Detention Centre: Barriers and Opportunities.” PI Fiona Kouyoumdjian, Collaborators Jessica Jurgutis, Dan Edwards, Dale Guenter, Ellen Amster (\$5000 CND). Grant duration 2018-2019.

- 2017 Expert Consultant, NEH Humanities Initiatives for Hispanic-Serving Institutions, “Human Story of Illness: Health Humanities Portraits for Physicians in Training,” PI Sandy Sufian, Expert Consultants: Garden R, Case G, Halpern J, Metzl J, **Amster E**; Faculty: Gramelspacher AM, Sandahl C, Vazquez-Melendez E, Laethem EJ, Michel J, Kirschner K, Hirshfield L, Gambino M, Blackie M, Murphy T; Curricular Advisor: Hyderi A; Assessment and Evaluation Guide: Park YS. **\$100,000 USD**. 2018-2019. University of Illinois-Chicago.
- 2017 Co-Investigator, McMaster Institute for Research on Aging Catalyst Grant, “A Comprehensive Framework for the Conceptualization of Physical Mobility as an Essential Construct to Address in Both the Assessment and Treatment of Older Adults,” co PIs, Ayse Kuspinar and Chris Verschoor. (\$5,000 CND).
- 2016 Collaborator, McMaster Arts Research Board Grant, “A Biomolecular Study of Medieval Metabolic Syndrome,” co PIs Megan Brickley and Jo Buckberry, (\$7761.00 CND), Jan. 2016.
- 2005-6 UW-Milwaukee Graduate School Research Committee Award, 2005-6, (\$15,000), University of Wisconsin Milwaukee.
- 2000 Andrew W. Mellon Foundation Dissertation Research Fellowship, 2000.
- 1998 Fulbright-Hayes Dissertation Research Fellowship for Morocco, 1998-1999.
- 1998 Chateaubriand Doctoral Research Fellowship in Humanities and Social Sciences (HSS) of the Government of France, 1998-1999.
- 1998 Social Science Research Council International Dissertation Research Fellowship (IDRF), 1998-1999.
- 1998 American Institute of Maghrib Studies Dissertation Fellowship, 1998.
- 1998 Fulbright Dissertation Fellowship for France, 1998-1999 (declined).
- 1998 Social Science Research Council Middle East Dissertation Fellowship for Morocco, 1998-1999 (declined).
- 1995 Social Science Research Council Middle East Pre-Dissertation Grant for Morocco, 1995.

Institutional and Programmatic Grants

- 2018 Associated Medical Services Project Grant (30,000 over 2 years) to develop History of Medicine and Medical Humanities Research Portal (non-competitive). PI Ellen Amster.
- 2015 Michael Degroote School of Medicine Project Grant (\$5000) to develop History of Medicine and Medical Humanities Research portal (non-competitive), 2015. PI Ellen Amster.
- 2015 Faculty of Health Science Dean's Fund (\$15,000) to develop History of Medicine and Medical Humanities Research portal (non-competitive), 2015. PI Ellen Amster.
- 2015 Associated Medical Services Project Grants (\$20,000) to develop and maintain History of Medicine and Medical Humanities Research Portal (non-competitive), 2015. PI Ellen Amster.
- 2009 U.S. Department of Education, Undergraduate International Studies and Foreign Languages Grant, (UISFL) for Middle East/North African studies and Arabic at UW-Milwaukee (\$150,000). Ellen Amster, Anita Alkhas, PI Caroline Seymour-Jorn, and Hamid Ouali. 2009-2010, 2010-2011, extension year 2011-2012.
- Outcomes:
- Middle East speaker series (9 speakers).
 - American Geographical Society Library exhibit "Central Asia."
 - Middle East Film Festival in Arabic, Hebrew, and Persian (2 years)
 - Arabic language minor developed.
 - Library acquisitions for Golda Meir Library.
 - New offerings for Middle East/North African Studies Certificate.
 - Study abroad opportunities for undergraduate/graduate students.
 - K-12 materials for Wisconsin public school teachers.

14. Lifetime Publications

a. Peer reviewed

i. Books

- 2013 *Medicine and the Saints: Science, Islam, and the Colonial Encounter in Morocco, 1877-1956*, (Austin: University of Texas Press, 2013, Paperback edition 2014).
- *Winner of the Honorable Mention for the Alf Andrew Heggoy Book Prize of the French Colonial Historical Society, 2014.
- *Winner of the Honorable Mention for the William H. Welch Medal in the History of Medicine from the American Association for the History of Medicine, 2017.

ii. Contributions to books

- 2017 “The Mad Saint as Healer: The Islamic Majnun in al-Kattani’s *Salwat al-Anfas* and in French Colonial Medicine and *Sociologie*,” Henk de Smaele, Tineke Osselaer, and Kaat Wils-Verhaegen (eds.), *Sign or Symptom? Exceptional Corporeal Phenomena in Medicine and Religion (19th and 20th century)*, (Leuven: University of Leuven Press): 125-140.
- 2016 “The Syphilitic Arab? A Search for Civilization in Disease Etiology, Prostitution, and French Colonial Medicine,” Patricia Lorcin and Todd Shepard (eds.), *French Mediterraneans*, (University of Nebraska Press, 2016): 320-346.

iii. Journal Articles

- 2020 Hu C, Jurgutis J, Edwards D, O’Shea T, Regenstreif L, Bodkin C, **Amster, E.** (2020) “When you first walk out the gates...where do [you] go?”: Barriers and opportunities to achieving continuity of health care at the time of release from a provincial jail in Ontario. *PLoS ONE* 15(4): e0231211. <https://doi.org/10.1371/journal.pone.0231211>
