3	I believe there are two things that make a good TA. Being knowledgeable, and being a good educator. Although Noah is clearly very knowledgeable on the subjects that he teaches and comes well prepared, he is not good with students. He provides harsh feedback with little to no positives (as he doesn't believe in positive feedback) and is extremely unapproachable. Many peers and I decided on not attending any office hours as we were simply uncomfortable with the TA. He provides ambiguous answers to questions that often leave students more confused than prior to discussing with him. All in all, Noah is very smart, but he does not provide for a safe and happy environment among his students which severely impacts his performance as a TA.
9	You did an amazing job as a TA. You explained topics and assignment outlines very thoroughly. I found you as a very fair grader and I appreciated the feedback that you left on assignments. I don't have any feedback that you could improve on, overall you were great!
11	I think you were a great T.A, you made time to help me even when it was very close to the final due date. You were able to help explain course content and guide me through the writing process. I really appreciate the time you took to help. Thank you and good luck with your future endeavours.
18	Noah is the best, by far my favourite TA !
24	No need for improvement good TA overall. you seemed like you were unimpressed quite a bit. I would suggest to loosen up a bit more to seem more approachable. Very professional.
27	dudes a legend, good TA
