### Course Objectives:

By the end of this semester, you will have reached the **Intermediate Low** level of proficiency in Arabic based on the *ACTFL Proficiency Guidelines 2012*. This means that you will be able to:

**Speaking:**

- 1) Handle successfully a limited number of uncomplicated communicative tasks by creating with the language in straightforward social situations.
- 2) Handle conversation limited to concrete exchanges and predictable topics necessary for survival in the target-language culture. These topics relate to basic personal information; for example, self and family, some daily activities and personal preferences, and some immediate needs, such as ordering food and making simple purchases.
- 3) Answer direct questions or requests for information.
- 4) Ask a few appropriate questions.
- 5) Produce short statements and discrete sentences.

**Writing:**

- 1) Meet some limited practical writing needs.
- 2) Create statements and formulate questions based on familiar materials.
- 3) Produce sentences that are recombinations of learned vocabulary and structures. These are short and simple sentences with basic word order. These sentences are written mostly in the present tense.
- 4) Produce few simple sentences, often with repetitive structure.
- 5) Write on topics that are tied to highly predictable content areas and personal information.
- 6) Produce vocabulary that is adequate for elementary needs.

**Listening:**

- 1) Understand some information from sentence-length speech, one utterance at a time.
- 2) Understand this information in personal and social contexts, though comprehension is often uneven.

**Reading:**

- 1) Understand some information from simple connected texts dealing with a limited number of personal and social needs although there may be frequent misunderstandings.
- 2) Derive basic meaning with help from connected texts of any length.

**Colloquial Arabic and Culture**

In addition, you will be able to comprehend and produce many words and expressions in colloquial Arabic (Egyptian). You will also learn about many aspects of Arab culture.

**Language in Class:**

**Arabic** will be the **main language of communication** in the classroom. We will be engaged in various group activities in class and these activities will be completed only in Arabic. Repeated use of English in class will affect your grade.

## **Course Requirements:**

### **1. Attendance and Participation (15%)**

**الحضور والمشاركة**

#### **First: Attendance (10%)**

You must attend online lectures through Zoom video call regularly and be prepared to participate fully in class activities. This means reading the material uploaded on Avenue and the textbook (you need to check the schedule before each class), listening to / watching the DVD or companion website, learning the new vocabulary, and studying the grammar explanations in the textbook or my files before coming to class so that class time can be devoted to activating the new materials.

Again, **Arabic** will be used as the **main medium of communication** in class. Once we learn any new words and expressions we will start using them immediately in class. You must come prepared to participate fully in all class activities AND USE ARABIC as much as you can. Failure to speak Arabic as much as you can in class will result in the reduction of your participation points for the class.

You are allowed **two** unexcused absences during this semester. **One percentage point** will be **deducted** from your final grade for every unexcused absence beyond the second unexcused absence. For excused absence, please check McMaster student absence form copied below:

**MCMASTER STUDENT ABSENCE FORM:** In the event of an absence for medical or other reasons, students should review and follow the Academic Regulation in the Undergraduate Calendar “Requests for Relief for Missed Academic Term Work”. Please note these regulations have changed beginning Spring/Summer 2015. The timeframe within which the MSAF is valid has been reduced from 5 days to 3 days. The upper limit for which an MSAF can be submitted has been reduced from ‘less than 30%’ to ‘less than 25%’ of the course weight. As per the policy, students must immediately follow up with their instructors to request accommodation for any missed academic work. Failure to do so may negate their relief. If you have any questions about the MSAF, please contact your Associate Dean’s office.

**Academic Accommodation for Religious, Indigenous or Spiritual Observances (RISO):** Students requiring academic accommodation based on religious, indigenous or spiritual observances should follow the procedures set out in the RISO policy. Students requiring a RISO accommodation should submit their request to their Faculty Office normally within 10 working days of the beginning of term in which they anticipate a need for accommodation or to the Registrar's Office prior to their examinations. Students should also contact their instructors as soon as possible to make alternative arrangements for classes, assignments, and tests.

#### **Second: Participation (5%)**

You must attend class regularly and come prepared to participate fully in class activities. This means listening to / watching the companion website, learning the new vocabulary, and studying the grammar explanations in the textbook or my files before coming to class so that class time can be devoted to activating the new materials. Again, once we learn any new words and

expressions we will start using them immediately in class. You must come prepared to participate fully in all class activities AND USE ARABIC as much as you can. Failure to speak Arabic as much as you can in class will result in the loss of your participation points for the class.

You will receive a daily Attendance and Participation grade worth four points, as follows:

- 4 points: Student arrives to class on time, is prepared for the lesson, always participates and uses the target language in class, and is always on task during group work.
- 3 points: Student is usually prepared for class, sometimes participates and uses the target language, and is usually on task during group work.
- 2 points: Student is sometimes missing material, participates and uses the target language only when called on, and is sometimes on task during group work.
- 1 point: Student is rarely prepared for class, rarely participates or uses the target language, and rarely stays on task during group work.
- 0 points: Student is not prepared for class, never participates or uses the target language, does not do task during group work, and may be talking loudly and disrupting class.

## 2. Homework Assignments (22%)

## الواجبات

There will be daily written homework assignments. Homework will be turned in in class on the day it is due. Please note that all homework is due on the date shown next to it not the following day. Late homework assignments will be assessed but may not be given full credit. You are encouraged to study and work on homework assignments with your classmates, with the stipulation that everyone must submit his or her own individual paper and everyone must have participated equally in doing the work.

Homework assignments **will be rated on a scale from 1 to 10** (9-10 = excellent, 7-8 = good but not your best effort, and 5-6 = poor or sloppy work). You will be rated on the overall quality of your work, not on the number of correct or incorrect answers. Homework assignments are intended to enhance your learning of the new material. So, spend as much time as needed on your homework assignments and make sure that what you submit reflects your absolute best.

Please hand in homework written out clearly, **double-spaced** on a separate sheet of paper. For each homework assignment, please include **your full name**, the **homework number**, the **due date** of the assignment, the **date of submission** if late, **unit number**, **drill number**, and **page number**.

It is important to **follow up on my comments** on your homework to save the TA time and effort, and you are always welcome to make an appointment if you need any help.

**Academic Integrity:** As a student at McMaster University, you are expected to adhere to the standards and policies of the university. When you submit an assignment with your name on

it, you are signifying that the work contained therein is yours, unless otherwise cited or referenced. Any ideas or material taken from another source for either written or oral use must be fully acknowledged. All suspected violations of the university code will be handled according to university policies. If you are unsure about the expectations for completing an assignment or taking a test or exam, be sure to seek clarification beforehand.

### 3. Personal Portfolio (5%)

### الملف الشخصي

You are required to keep a personal writing Portfolio this semester. This Portfolio allows you to engage in creative writing in Arabic using the new vocabulary and grammatical structures you have learned. You are required to have a special folder in which you keep all your Portfolio entries. You will submit a new entry every 2 weeks. You have the option to edit your Portfolio entries based on the comments provided. When you turn in a **new Portfolio entry** you have the option to turn in an **edited and revised version of the previous entry to improve your grade**.

Each Portfolio entry must be turned in in class every other Tuesday starting the third week of classes as shown in the syllabus. For your Portfolio entries, you may want to keep a personal journal or you may want to create a fictional personality similar to the Maha and Khaled story and develop it through your weekly writings. You could also write about a different topic every week. You are **required** to use the **new vocabulary** and **grammatical structures** you have **learned** from **both the textbook** and the **Weekly Reading** in your Portfolio entries.

In the last week of the semester, you will turn in all your corrected and revised Portfolio entries for one final evaluation. Your grade for the portfolio will be determined based on: i) the extent to which you incorporated the new vocabulary and structures you learned into your writing; ii) the extent to which you kept revising your writing based on your instructor's comments; iii) the creativity you demonstrated in preparing your entries; and iv) the overall organization of your writing.

### 4. Weekly Reading (5%)

### القراءة الأسبوعية

You are required to complete one Weekly Reading every 2 weeks this semester. You will complete these readings at home and will be prepared to discuss them in class every other Tuesday as shown in the syllabus.

### 5. Quizzes (22%)

### الامتحانات القصيرة

You will take **four quizzes** during this semester (50 minutes each). These quizzes are taken in class on the dates shown in the syllabus. In addition to questions on vocabulary and grammar, the quizzes will include questions on dialect, culture, the weekly reading, and listening and reading comprehension.

### 6. Video Project (7%)

### مشروع الفيديو

The Final Video Project will be a collaborative production of two to four students. You

will collaborate with your classmates to produce a video in which you will showcase your Arabic proficiency at the end of the semester. You will have to use both **Modern Standard Arabic** and the **dialect in contextually appropriate ways** in your video. Your video can take any form (movie, TV show, skit, TV commercial, talk show, etc.) For a group of **two**, the video will be **4-6 minutes** long. For a group of **three**, it will be **7-9 minutes** long, and for a group of **four**, it will be **10-12 minutes** long. Each participant is required to produce an equal amount of language in the video. Note the following about the video project:

1. Modern Standard Arabic (MSA) and the Egyptian dialect should both be used in your video, but MSA (the main focus of this course) should be used more.
2. Try your best to use MSA and the dialect in contexts appropriate to each as we learned in class.
3. For heritage students: do NOT use your own dialect. This applies for Egyptian students as well. For Egyptian students, their video should be either only in MSA or in MSA and a dialect of their choice other than Egyptian, Levantine for instance.
4. Do not read from a script.
5. Stick to the time mentioned above. This time should be the net talking time not including songs or any other thing that you add to your video.
6. Use as much as possible of the vocabulary that you learned in class.
7. Be as accurate as you can in forming sentences, spelling, and any words written in your comments/captions.
8. Culture: Include all the possible cultural details related to your video that we learned in class including body language, hospitality, warmth, politeness, etc.
9. Choose your topics and scenes carefully to maximize the use of vocabulary and culture learned in class.
10. BE CREATIVE!
11. Do NOT save the file as “Arabic video Project” because everyone does the same! Save it with the first and last names of all of you as follows “First1 Last1, First2 Last2, etc.” Failure to follow these guidelines will negatively affect your grade.

## 7. Final Comprehensive Exams (24%)

## الامتحانات الشاملة

There will be a final comprehensive written exam and a final comprehensive oral exam. The final written exam is worth **20%** and the final oral exam is worth **4%**. The dates of the oral exams are shown on the syllabus. The final written exam will be comprehensive and will cover the following: 1) vocabulary, 2) grammar, 3) reading, 4) writing, 5) listening, 6) culture, and 7) dialect.

### Note about Colloquial Arabic and Culture

The dialect this class will focus on is the Egyptian (Cairene) dialect. Do not think about Modern Standard Arabic and Egyptian Arabic as two mutually exclusive varieties but rather two levels/codes within a continuum.

## Grade Distribution:

15%	Attendance & Participation	الحضور والمشاركة
22%	Homework	الواجبات
5%	Personal Portfolio	الملف الشخصي
5%	Weekly Reading	القراءة الأسبوعية
22%	Quizzes	الامتحانات القصيرة
7%	Final Video Project	مشروع الفيديو النهائي
24%	Comprehensive exams	الامتحانات الشاملة

Please note that grades may be adjusted at the end of the course. You will be receiving bonus points up to 10% (or even more) of the final grade in quizzes, participation, etc. If the grades are very high by the end of the semester, they may be adjusted by up to 5%. If you are aiming for an A+, you need to aim for 95% not 90% to be on the safe side. For heritage learners, you won't be able to get an easy A/A+ just relying on your knowledge. This has not been working and won't work! This course is designed to isolate any advantage for heritage learners. You will need to complete all of the course requirements and actively follow and participate in class.

Best wishes

### **Avenue to Learn**

In this course we will be using Avenue to Learn. Students should be aware that, when they access the electronic components of this course, private information such as first and last names, user names for the McMaster e-mail accounts, and program affiliation may become apparent to all other students in the same course. The available information is dependent on the technology used. Continuation in this course will be deemed consent to this disclosure. ### **Turnitin.com**

In this course we will be using a web-based service (Turnitin.com) to reveal plagiarism. Students will be expected to submit their work electronically to Turnitin.com and in hard copy so that it can be checked for academic dishonesty. Students who do not wish to submit their work to Turnitin.com must still submit a copy to the instructor. No penalty will be assigned to a student who does not submit work to Turnitin.com. All submitted work is subject to normal verification that standards of academic integrity have been upheld (e.g., on-line search, etc.). ## **University Policies**

### **Academic Integrity Statement**

You are expected to exhibit honesty and use ethical behavior in all aspects of the learning process. Academic credentials you earn are rooted in principles of honesty and academic integrity.

Academic dishonesty is to knowingly act or fail to act in a way that results or could result in unearned academic credit or advantage. This behavior can result in serious consequences, e.g. the grade of zero on an assignment, loss of credit with a notation on the transcript (notation reads: "Grade of F assigned for academic dishonesty"), and/or suspension or expulsion from the university.

It is your responsibility to understand what constitutes academic dishonesty. For information on the various types of academic dishonesty please refer to the Academic Integrity Policy, located at [www.mcmaster.ca/academicintegrity](http://www.mcmaster.ca/academicintegrity).

The following illustrates only three forms of academic dishonesty:

1. Plagiarism, e.g. the submission of work that is not one's own or for which credit has been obtained.
2. Improper collaboration in group work.
3. Copying or using unauthorized aids in tests and examinations.

### **Academic Accommodation of Students with Disabilities**

Students who require academic accommodation must contact Student Accessibility Services (SAS) to make arrangements with a Program Coordinator. Academic accommodations must be arranged for each term of study. Student Accessibility Services can be contacted by phone 905-525-9140 ext. 28652 or e-mail [sas@mcmaster.ca](mailto:sas@mcmaster.ca). For further information, consult McMaster University's Policy for [Academic Accommodation of Students with Disabilities](#).

### **Faculty of Social Sciences E-mail Communication Policy**

Effective September 1, 2010, it is the policy of the Faculty of Social Sciences that all e-mail communication sent from students to instructors (including TAs), and from students to staff, must originate from the student's own McMaster University e-mail account. This policy protects confidentiality and confirms the identity of the student. It is the student's responsibility to ensure that communication is sent to the university from a McMaster account. If an instructor becomes aware that a communication has come from an alternate address, the instructor may not reply at his or her discretion.

### **Course Modification**

The instructor and university reserve the right to modify elements of the course during the term. The university may change the dates and deadlines for any or all courses in extreme circumstances. If either type of modification becomes necessary, reasonable notice and communication with the students will be given with explanation and the opportunity to comment on changes. It is the responsibility of the student to check his/her McMaster email and course websites weekly during the term and to note any changes.

### **Academic Accommodation for Religious, Indigenous or Spiritual Observances (RISO)**

Students requiring academic accommodation based on religious, indigenous or spiritual observances should follow the procedures set out in the RISO policy. Students requiring a RISO accommodation should submit their request to their Faculty Office normally within 10 working days of the beginning of term in which they anticipate a need for accommodation or to the Registrar's Office prior to their examinations. Students should also contact their instructors as soon as possible to make alternative arrangements for classes, assignments, and tests.
